Updated Free HSA Guide for 2015 Now Available

May 9, 2014

I have updated my Employer's Guide to Health Savings Accounts (HSAs) to include the new 2015 contribution and coverage amounts.

Since I first wrote this publication in 2004, I have been updating it every time there has been any changes. It explains every aspect of HSAs in fifty questions and answers. It also includes a chart that compares HSAs with Health FSAs and HRAs.
