REOPEN YOUR BUSINESS WITH CONFIDENCE

## GET BACK TO WORK SAFELY PROGRAM

### PROGRAM OVERVIEW

The 1.800MD **Get Back to Work Safely Program** is a comprehensive, multi-pronged solution that helps companies reopen and re-establish vital business operations in lieu of the coronavirus pandemic. Designed to help protect employees, customers and business reputations, the program encompasses expert testing algorithms, COVID-19 testing, telemedicine visits (available 24/7/365), contact tracing and containment protocols.
