INTRODUCING

90-Day Telehealth Service

Accessible Care During the Pandemic

In an effort to help reduce the spread of the coronavirus, 1.800MD is now offering a new short-term telehealth service option to new groups.

Our new 90-day telehealth contract option allows organizations to provide all employees access to telemedicine and behavioral health services during the COVID-19 pandemic.

Service Overview

The new 90-day telehealth plan includes:

- Telemedicine and behavioral health
- \$0 consultation fee – members connect to board-certified physicians for free.
- Family coverage included
- Streamlined enrollment and service implementation within 24 hours
- Electronic welcome letters and membership cards
- On-going member awareness communication and employer support

INCLUSIVE & EFFECTIVE

Available for full-time, part-time and contract employees

FAMILY COVERAGE

Service available for new members and their dependents

TERM EXTENSION

90-day service with option to seamlessly extend term to one year

Pricing & Additional Information

Have questions about the new 90-Day Telemedicine Plan or need pricing information? Contact Meredith Owens, Sales Executive, at mowens@1800md.com.
