

BENEFITS AND HEALTHCARE GUIDANCE APP

A Virtual Wallet for Employee Benefits And More

Help employees make better decisions and get answers about their benefits using VistaNational's easy-to-use mobile app. It's like a digital wallet for all their benefits right on their phone. This easy-to-use app brings together online doctors, a team of healthcare concierge, Rx savings, medical bill advocacy, an artificial intelligence-powered virtual assistant and more. It provides all the support employees need during the COVID-19 crisis – and helps reduce your insurance costs due to smarter benefits utilization.

- ⊕ Reduces Wasteful Healthcare claims
- ⊕ Lowers Healthcare Costs
- ⊕ Increases Benefits Satisfaction
- ⊕ Reduces Questions to HR

HOW IT WORKS

- 1 LOGIN** to the application and the virtual assistant will greet you and gather your information to setup your account.
- 2 SELECT A SERVICE** from the Main Menu, including:
 - »Online doctor consultations
 - »Provider and facility finder
 - »Prescription savings review
 - »Medical bill review
 - »Appointment booking
 - »Personalized employee benefits wallet
 - »Start a chat with a healthcare Concierge
- 3 CHECK YOUR INBOX** to see if you have received any messages from the Concierge Service or regarding a physician consultation.
- 4 REVIEW YOUR BENEFITS PLAN SUMMARY** which includes real-time access to deductible and out-of-pocket information for eligible plans.
- 5 CHAT LIVE WITH A HEALTHCARE CONCIERGE** if you need assistance for any reason.
- 6 VIEW YOUR DIGITAL BENEFITS WALLET** to access your benefits from one convenient central location.

The Benefits And Healthcare Guidance App Is One of Many Solutions in VistaNational's Covid-19 Toolkit
