

OPEN ENROLLMENT DECISION-MAKING PORTAL

Help Employees Select the Best Benefit Plans for Their Needs

Streamline open enrollment for remote employees and reduce inbound benefit-related calls for your busy HR team by helping your employees select the best benefit plan using the Open Enrollment Decision-Making Portal. Employees simply answer a series of questions prompted by the online platform and the portal recommends the best plan to help them make decisions.

- ⊕ Online and Available 24/7
- ⊕ Assists Employees with Benefits Selection
- ⊕ Simple Q&A Format Guides Employees
- ⊕ Easy-to-Understand Language and Graphics

DELIVERING THE COMPLETE RANGE OF BENEFITS

- » Convenient for all employees – no matter their location or schedule
- » Benefits consultation for all levels of employees
- » Available year-round for onboarding new employees
- » Reduces need for benefits presentations
- » Reduces stress and saves time for busy HR departments
- » Increases benefit program participation

ANYTIME, ANYWHERE CONSULTATION IN EASY-TO-UNDERSTAND LANGUAGE

The Open Enrollment Decision-Making Portal is available anywhere, anytime so employees can have a personalized benefits consultation at their convenience. The portal uses easy-to-understand language and simple graphics and animations so that everyone in your organization, regardless of age, education or experience with choosing benefits will find this information helpful. The Open Enrollment Decision-Making Portal significantly reduces calls, emails and the need for HR departments to give benefits presentations.
