

CONCIERGE SERVICE

WITH VISTA-MD CLAIM HELPER™ APP

EXPERT CLAIMS ASSISTANCE WHEN EMPLOYEES NEED IT

Even with the best insurance plans, claims can cause anxiety when employees have issues with medical billing and claims reimbursement – or want clarification on the claims submission process. That's why VistaNational offers a dedicated Concierge Service to your employees where they can get assistance with their insurance claims.

Our medical claims experts know how to break through bureaucracy and advocate for your employees to get resolution on their specific claims issues. We act as a personal concierge on all benefit matters. Your employees don't need to call the carrier or provider because we take care of it for them!

ONE POINT OF CONTACT

When employees contact Vista's Concierge Service, they are assigned a dedicated team of medical claims experts who work with them from start to finish. They don't reach a new person each time they contact Vista, which means they don't need to repeat their story. One call and Vista is on the case, dealing with carrier claims, managing benefits, preparing paperwork, advocating for employees and getting resolution.
